In Memory of Fran Sugarman

The Miquon community sustained a great loss recently with the passing of Fran Sugarman, mom to Rory (3rd grade) and Suzanna (class of 2008) in early February. Moved by this sad event, Erica and Jeri's 5/6 group decided to contribute a week's pizza sale income as a donation to Miquon in Fran's memory. This gesture sparked a tremendous wave of generosity amongst our children. With no pressure from any adults, Miquon's compassionate kids went home and collected birthday and tooth fairy money to add to their lunch order envelopes. In dog-eared bills and bits of change, the group raised \$1,031, which they presented to the development office.

This kid-directed effort is such a powerful testament of support and a demonstration of our students' loving care and concern for their fellow community members. As a community organizer herself and a parent who was committed to service learning in schools, we are sure that Fran would have been honored and proud of this grass-roots effort.

In addition to the above, the following individuals and families also made contributions to Miquon in Fran's memory:

Alice Chan and Mike Chuang
Daniel and Stacey Cunitz

The Clisby Library

Miquon's Clisby Library is one of the school's treasures. Every year, librarian Diane Sychowski works tirelessly to find new and innovative titles to stock the shelves. Many families support the Miquon tradition of donating a book to the library in honor of a student's birthday. Others have participated in the fall book fair and have added a book for Miquon to their family's order. Still others have made financial contributions that they have allocated to the library.

Many thanks to the following individuals and families for their support of our beloved library.
