## Your Business Can Help Miquon and Receive Tax Credits!

Pennsylvania provides up to a 90% tax credit for donations to eligible nonprofits under the EITC (Educational Improvement Tax Credit) and OSTC (Opportunity Scholarship Tax Credit) programs--and Miquon is approved! Support through these programs provides financial aid and helps keep Miquon a diverse community able to welcome lots of different families.

If you own your own business, you can apply to participate. A Miquon community business owner who has completed the application can assist you. And if you work for a company that might be interested in participating, we can provide them with details as well.

### Individuals can donate too!

Miquon is also approved to receive EITC donations with similar tax benefits from individuals! Visit Miquon's website to learn more.

Contact Charlotte Boulay, Director of Development by emailing [charlotteb@miquon.org](mailto:charlotteb@miquon.org) to learn more. However you support Miquon, thank you!
