--The Siblings Issue--

An Ode to Miquon: Bijan '05 and Dariush Sosnowski '11

The siblings agree that Miquon enabled them to understand that everyone has their own way of doing something and all have value; everyone is unique and there are different outcomes.

"We learned to appreciate different approaches," Bijan says. "And we were encouraged and enabled to follow our own passions that way."

Bijan attended Abington Friends School (AFS) and St. John's University in Queens, NY. After studying abroad, he returned to Philadelphia, where he was quickly hired at UBIQ as an apparel buyer, and he already has spent a couple of "fashion

weeks” in Europe.

Dariush also attended AFS and is now a sophomore at Boston University. Next spring, he'll take his studies to Los Angeles and ultimately, he aspires to work in the music industry.

Freedom within Boundaries: Liz '05 and Gabi Isaac-Herzog '11

“[Miquon is] a place where kids are given room to explore,” explains Liz.

Students are given the trust and responsibility to explore the depth and breadth of what interests them in age-appropriate ways. This happens in their free play, and also, in academic areas.

From beluga whales to westward expansion, the sisters remember the topics they chose to explore deeply because the subjects were interesting—to them. As a result, both Liz and Gabi plan to pursue careers in education as a way to give others what Miquon gave them.

They both reside in St. Paul, Minnesota, where Liz is working on prerequisites for entering a master's/licensure program in elementary education and Gabi is leaning toward geography and environmental studies as her majors at Macalester College.

Celebration of the Life of Sherry Moman

Please join The Moman Family and members of The Miquon School community as we gather and hold Sherry and one another in her love and light for a Celebration of Life on Sunday, April 7 from 1:00 - 4:00 pm on the Miquon campus.

The family requests that guests wear a scarf to the gathering, in honor of Sherry's love of the item. Light refreshments will be served. Parking will be tight; we encourage carpooling where possible.
