

Job title:	Lifeguard
Location:	Conshohocken, PA
Job type:	Seasonal, Full-time
Reports to:	Pool Manager
Employment dates:	Orientation, June 6-7, 2026 (attendance required) Camp, June 22 - August 14, 2026 *
Compensation:	Hourly rate is \$15 Typical hours are 8:00am until 3:45pm, Monday through Friday, with some days going until 5pm

OVERVIEW

Miquon Day Camp Lifeguards play a critical role in keeping campers and staff safe during all swim activities. This position requires constant vigilance, quick thinking, and strong communication skills to respond effectively in emergencies. Lifeguards also foster a positive and engaging aquatic environment, enforcing safety rules while encouraging campers to enjoy the water with confidence.

RESPONSIBILITIES

Water Safety & Supervision

- Monitor campers and staff during swim sessions
- Maintain constant surveillance of the pool area
- Enforce camp pool safety rules and maintain discipline in the water and surrounding area

Emergency Response

- Respond quickly to emergencies and administer first aid, CPR, or rescue techniques as needed
- Report all incidents, accidents, and disciplinary concerns promptly and accurately
- Participate in emergency drills and remain familiar with camp emergency action plans

Daily Operations

- Assist with opening, closing, and general maintenance of the pool area
- Ensure pool areas and equipment are clean, safe, and in good condition
- Help facilitate swim tests, swimming lessons, and recreational swim games

Collaboration & Camper Support

- Work closely with counselors to help manage camper behavior and transitions in and out of the water
- Serve as a positive role model and uphold camp values and expectations
- Communicate respectfully with campers, staff, and families when necessary

QUALIFICATIONS

- Must be at least 16 years of age
- Current Lifeguard Certifications from American Red Cross or equivalent
- CPR for the Professional Rescuer and First Aid Certification
- Experience working with children preferred
- Ability to remain calm and take charge in emergency situations
- Successfully complete all criminal and child protection screenings

PHYSICAL REQUIREMENTS

- Ability to swim proficiently and perform rescues
- Endurance to remain on duty, alert, and actively scanning swimmers for extended periods
- Strength and agility to lift, carry, and assist swimmers in distress
- Capacity to respond quickly in emergency situations, including running, jumping, and entering/exiting the water safely
- Ability to kneel, bend, and move quickly on pool deck
- Comfortable working in sun, heat, and variable weather conditions

BENEFITS

Miquon Day Camp will reimburse employees for Lifeguard and First Aid/CPR Certification when any hired lifeguard completes the entire summer of camp (eight weeks).

APPLICATION PROCEDURE

Please send an email explaining your interest in the position – be sure to include your skills and experience – to campemployment@miquon.org and assistantcampdirector@miquon.org.

Resumes will be reviewed and considered until all positions are filled.

** Camp staff are asked to commit to at least three weeks of the eight-week season. This helps ensure a consistent experience for our campers while giving staff flexibility in planning their summer.*
